

## **NCDOT to Hold Public Hearing Regarding Proposed I-40 Improvement Project in Clemmons**

TIP Project No. I-0911A

The N.C. Department of Transportation will hold a public hearing in Clemmons from 4-7 p.m. on Monday, Nov. 18 to inform citizens of a proposed project to widen and improve I-40 from west of N.C. 801 in Davie County to east of Harper Road/Tanglewood Business Park Road in Forsyth County. These improvements will include the replacement of the existing bridges over the Yadkin River.

The purpose of the project is to increase capacity and enhance safety on this section of I-40.

An Environmental Assessment (EA) was approved in June 2011. One “best fit” alternative with three design options in the vicinity of the historic Win-Mock Farm was studied. The option chosen as the preferred design will use a steeper slope adjacent to the Win-Mock Farm property to reduce impacts. No relocations are anticipated as part of this project.

The public hearing will be held on Monday, Nov. 18 at the Clemmons Village Hall Council Chambers, located at 3715 Clemmons Road. Interested citizens may attend at any time during the hearing hours, as there will be no formal presentation. NCDOT representatives will be available to answer questions and receive comments regarding the proposed project. Citizens will also have the opportunity to submit comments and questions in writing.

Maps displaying the location and design of the project, as well as a copy of the EA are available for public review at the following locations:

- Village of Clemmons Planning Department, 3715 Clemmons Road;
- Town of Bermuda Run, 120 Kinderton Boulevard, Suite 100;
- NCDOT Division 9 Office, 375 Silas Creek Parkway, Winston-Salem; and
- Winston-Salem Transportation Department, Suite 307, Bryce Stuart Municipal Building, 100 E. First Street.

Project maps and EA are also available at: <http://www.ncdot.gov/projects/publicmeetings>.
